## Enhanced Services for Asylees and Vulnerable Noncitizens Program (ESAVN)

Opening Doors' Enhanced Services for Asylees and Vulnerable Noncitizens Program (ESAVN) provides culturally appropriate and responsive case management services to asylees and vulnerable noncitizens.

### Program Eligibility

- Individuals who have been recently granted asylum
- Those preparing to file or have filed petitions for T-Visa or U-Visa
- Noncitizen victims of human trafficking, domestic violence, and other serious crimes

### Eligibility timeline

- 90 days within the first year following the grant of asylum
- Having been deemed vulnerable and eligible for services

Belonging begins here.

## Program services:

### Benefits application assistance

- SSN, Medi-Cal, Cal Fresh, Cal Works and other eligible programs.

### Cultural Orientation

- Provide cultural orientation and integration programs to help navigate the American system and get the tools needed to become self-reliant.

### English Language Development

- Assist with enrollment in English language program for adults.

### School Enrollment

- Assist with meeting school requirements and enrollment for children.

### Employment/Training

- Assist with enrollment in employment services, job counseling, and placement/training programs.

### General Case Management

- Assist in resource navigation and appropriate cultural community connections.
