

GRAPHIC DESIGN VOLUNTEER (GN)

Economic Prosperity

Scope of Work: Support clients on their business ventures by designing promotional materials such as flyers for their businesses.

As a graphic design volunteer, you will work closely with our Economic Prosperity team to design promotional materials for clients enrolled in our services. You will receive design requests on a bi-weekly basis.

Many of the clients who will be receiving this service are enrolled in our Afghan Women's Childcare Program. This program supports Afghan women create and implement a business plan and acquire the necessary trainings and certifications they need to start a childcare business from their home.

When designing promotional material, you may be requested to translate flyers into Dari, Farsi, or Pashto. Our case managers will be able to support with translation.

Time Commitment: As a graphic design volunteer, we request support with the completion of at least two projects per month. This volunteer opportunity will occur over the span of three months.

There are no set dates for this volunteer opportunity, however, our Economic Prosperity (EP) Director will reach out on a bi-weekly basis to introduce new projects/follow up on previous projects.

Location: Remote

Requirements:

- Graphic designing experience
- Familiarity with design software and technologies
- Ability to meet deadlines
- Ability to create flyers in multiple languages
